January 2022

Dear Parent/Carer,

#### Re: Year 7 to Year 10 - Parents Evening 2

I hope that you were able to celebrate with your child when they brought home their Praising Stars report just before Christmas. Please refer to your son/daughter's Praising Stars Report and the column requesting you to make a parents evening appointment on Thursday 13th January between 4pm and 7pm. If an appointment has been requested, we would now like to offer an opportunity for you to discuss your child's progress with their class teacher.

Unfortunately, due to Covid restrictions, we are organising a Parents Evening that will take place using Google Meet on Thursday 13th January between 4.00pm and 7.00pm for Years 7, 8, 9 and 10, with some face to face appointments for some Year 11 and Post 16 students. Please see the following pages for detailed instructions about how to book the Year 7-10 parents evening appointments remotely.

We hope it will provide you with an ideal opportunity to see some of the staff in school who support your child's progress. It will also enable you to find out what the students will need to do to make even more progress before Praising Stars 3 comes out just before February half-term.

Yours faithfully

E. I. Jerarelli

Mrs E Ferrarelli Associate Vice Principal

A list of Directors' names is open to inspection at our registered office.

## How to join the video calls on the evening

- 1. Your son/daughter needs to access their Google Classroom.
- 2. The appointments will be listed on the right-hand side. Click on the one you would like to access.
- 3. Please wait on the call with your camera off until the teacher arrives.
- 4. When they arrive, the teacher will need to briefly set up the meeting's settings. This should not take too long.
- 5. The teacher may ask you whether they can record the conversation for training purposes. If you are not happy to be recorded, please make this clear to the teacher.
- 6. Once the settings are ready, the teacher will start a timer for the remaining appointment time. The call will end when the timer runs to 0:00. This is to ensure fairness for all parents, meaning everyone gets an equal opportunity to discuss their child's progress. A warning will be given with 30 seconds remaining. Should you have more to discuss, the teacher will offer to phone you at a later date.

### What if parents do not have internet access?

We only have a limited number of external phone lines. Therefore, the default option must always be a Google Meet appointment. As advised please contact them via the enquiries email address at <u>enquiries@valley.outwood.com</u> clearly stating which teacher you wish to speak to.
