

Supporting children and families

affected by a cancer diagnosis

We offer

- a safe space for children to express their feelings
- tailored and age-appropriate support in a child-friendly environment
- access to sessions with a play therapist, young persons counsellor or age-specific peer group sessions
- support, advice and resources for parents and carers

For more information or to refer to the service please visit our website or call 07947 353501 and ask for Emma
