

23rd September 2022

Dear Parents/Carers,

We are pleased to confirm that The Prom for our Year 11 students will take place on

**Tuesday 27th June 2023 at Van Dykes Hotel and Spa.**

The Prom is an amazing event and we look forward to celebrating a fantastic year with our Year 11 students.

To secure their place at the prom, students will need to pay a **£15 non-refundable deposit (via iPay) by Friday 4th November**. No deposits will be taken after this date. We are now a cashless site and do not accept cash deposits. The total cost of the ticket is still to be confirmed. Final confirmation of the ticket price will be shared as soon as possible.

As Year 11 is such an important year for our students, good attendance throughout the school year is both vital to our students' learning and progress and also a requirement for our students to attend the Year 11 prom. The attendance office will track this carefully and both students and parents can discuss attendance with the team. Additionally, behaviour in line with our academy expectations is also a requirement for attending the prom.

More details regarding The Prom will follow in due course, but in the meantime, if you have any questions, please do not hesitate to contact me.

If you have any queries regarding your child's attendance, please contact the attendance team.

Yours faithfully,

**D Perkins**

Miss D Perkins  
Y11 Learning Manager
