

June 2022

Dear Parent/Carer,

Y11 Final phase of examination period

We are now over half way through the examination period, and I am delighted to report that the students have worked hard and remain positive about their efforts. I now wish to inform you of the plan for the students for the remainder of the exam period. The following plan has been designed to support them to continue to perform at the best.

The students will continue to attend the academy as normal until the **end of Friday 17th June**, allowing them to access all planned master classes and to prepare effectively for their **Chemistry exam on Monday 20th June**. On completing this exam, most students will leave the site for the rest of the day for home study. This means that students will be leaving between **10.20am and 11.15am** (accounting for Combined Science, Triple Science and those with extra time).

From that point forward, students will only be required to attend timetabled master classes and exams. Please find a copy of the timetable attached; an electronic copy will be posted in the Y11 Key Information Google Classroom.

Please note that students will be given a double break this **Friday 17th June** to give them the opportunity to invite friends, fellow students and staff to contribute to their memory and leaving books or an extra shirt, which they are welcome to bring in. **Please note, students will not be allowed to let other students sign the shirt they are wearing.**

Please be advised that attendance to timetabled masterclasses and exams is compulsory.

Thank you for your continued support in ensuring that the students are able to complete their studies at Outwood Academy Valley with focus and commitment up to their final exam.

If you have any questions, please do get in touch at enquiries@valley.outwood.com for the attention of Mr D Scholey.

Yours faithfully,

D Scholey

Assistant Principal

	Mon 20th	Tue 21st	Wed 22nd	Thur 23rd	Fri 24th	Mon 27th
Morning Session	Chemistry Booster 8.00 - 8.45			Physics Booster 8.00 - 8.45	Statistics Booster 7.30	
Period 1	Chemistry Exam Paper 2	Y half Triple/Higher/Foundation Physics Booster	X half Triple/Higher/Foundation Physics Booster	Physics Exam Paper 2	Statistics Exam	Polish Writing Exam
Period 2	Chemistry Exam Paper 2	Y half Triple/Higher/Foundation Physics Booster	X half Triple/Higher/Foundation Physics Booster	Physics Exam Paper 2	Statistics Exam	Polish Writing Exam
Tutor/Break	All students (apart from Stats) leave					Leave Academy
